

**Ordinance No. 13**

**An Ordinance granting Black Hills/Iowa Gas Utility Company, LLC d/b/a Black Hills Energy, a Delaware corporation, its lessees, successors and assigns,**

**a natural gas franchise and the authority to construct, operate, maintain, and extend a natural gas distribution plant and system, and granting the right to use the streets, alleys, and other public places within the present or future corporate limits of the City of Paullina, Iowa**

Be it ordained by the City Council of the City of Paullina, Iowa, as follows:

**FRANCHISE GRANTED**

The City of Paullina, Iowa (hereinafter referred to as "Grantor"), hereby grants a non-exclusive franchise to Black Hills/Iowa Gas Utility Company, LLC d/b/a Black Hills Energy, a Delaware limited liability corporation (hereinafter called "Grantee"), its lessees, successors and assigns. Grantee is hereby granted the right, privilege, franchise, permission and authority to lay, construct, install, maintain, operate and extend in, along, over, above or across the present and future streets, alleys, avenues, bridges, public rights-of-way and public easements as are now within the present or future limits of said Grantor, a natural gas distribution system and all facilities necessary for the purpose of supplying natural gas or processed gas and other operations connected therewith or incident thereto for all purposes to the inhabitants of said Grantor and consumers in the vicinity thereof, and for the distribution of natural gas from or through said Grantor to points beyond the limits thereof. Such facilities shall include, but not be limited to, all mains, services, pipes, poles, communication devices, conduits and all other apparatus and appliances necessary or convenient for transporting, distributing and supplying natural gas for all purposes for which it may be used, and to do all other things necessary and proper in providing natural gas service to the inhabitants of Grantor and in carrying on such business.

**TERM**

The franchise granted hereunder shall remain in effect for a period of twenty-five (25) years consisting of an initial term of fifteen (15) years from the effective date of this Ordinance (the "Initial Term"), and for an additional ten (10) years after the expiration of the Initial Term, unless Grantor, through its Clerk, notifies Grantee in writing at least 180 days before the expiration of the Initial Term, that Grantor, for good cause relating to default of any material obligation hereunder, desires not to renew the franchise and specifies the reasons for non- renewal.

**FRANCHISE FEES OR TAXES**

Grantor may, during the term of this franchise, in its discretion, in compliance with and as authorized by state law, after public hearing and upon a majority vote of a majority of the members of the Grantor's City Council then present, pass an ordinance imposing a franchise fee on Grantee's customers located within Grantor's corporate limits; provided, however, that the franchise fee shall not be effective, and Grantee shall not be obligated to collect and pay same, unless and until: (1) it is satisfactory to Grantee with respect to its compatibility with Grantee's billing system; (2) the form of assessment and collection of the franchise fee is based on either:

(a) a percentage of Grantee's gross receipts of regulated sales or transportation revenues collected from Grantee's customers within Grantor's corporate limits; (b) a volumetric fee based upon Grantee's delivery of energy within Grantor's corporate limits; or (c) a flat fee collected on a nondiscriminatory basis from each of Grantee's customers within Grantor's corporate limits; and (3) Grantor has imposed a franchise fee on all other parties supplying energy within Grantor's corporate limits, calculated in the same manner as the franchise fee imposed on Grantee's customers.

### **GOVERNING RULES AND REGULATIONS**

The franchise granted hereunder is subject to all conditions, limitations and immunities now provided for, or as hereafter amended, and applicable to the operations of a public utility, by state or federal law. The rates to be charged by Grantee for service within the present or future corporate limits of Grantor and the rules and regulations regarding the character, quality and standards of service to be furnished by Grantee, shall be under the jurisdiction and control of such regulatory body or bodies as may, from time to time, be vested by law with authority and jurisdiction over the rates, regulations and quality and standards of service to be supplied by Grantee. Provided however, should any judicial, regulatory or legislative body having proper jurisdiction take any action that precludes Grantee from recovering from its customers any cost associated with services provided hereunder, then Grantee and Grantor shall renegotiate the terms of this Ordinance in accordance with the action taken. In determining the rights and duties of the Grantee, the terms of this Ordinance shall take precedence over any conflicting terms or requirements contained in any other ordinance enacted by the Grantor.

### **PROVISION FOR INADEQUATE ENERGY SUPPLIES**

If an energy supplier is unable to furnish an adequate supply of energy due to an emergency, an order or decision of a public regulatory body, or other acts beyond the control of the Grantee, then the Grantee shall have the right and authority to adopt reasonable rules and regulations limiting, curtailing or allocating extensions of service or supply of energy to any customers or prospective customers, and withholding the supply of energy to new customers, provided that such rules and regulations shall be uniform as applied to each class of customers or prospective customers, and shall be non-discriminatory as between communities receiving service from the Grantee.

### **CONSTRUCTION AND MAINTENANCE OF GRANTEE'S FACILITIES**

Any pavements, sidewalks or curbing taken up and any and all excavations made shall be done in such a manner as to cause only such inconvenience to the inhabitants of Grantor and the general public as is reasonably necessary, and repairs and replacements shall be made promptly by Grantee, leaving such properties in as good as condition as existed immediately prior to excavation.

Grantee agrees that for the term of this franchise, it will use its best efforts to maintain its facilities and equipment in a condition sufficient to meet the current and future energy requirements of Grantor, its inhabitants and industries. While maintaining its facilities and equipment, Grantee shall obtain permits as required by ordinance and will fix its excavations within a commercially reasonable time period, except that in emergency

situations Grantee shall take such immediate unilateral actions as it determines are necessary to protect the public health, safety, and welfare; in which case, Grantee shall notify Grantor as soon as reasonably possible. Within a reasonable time thereafter, Grantee shall request and Grantor shall issue any permits or authorizations required by Grantor for the actions conducted by Grantee during the emergency situation.

Grantor will give Grantee reasonable notice of plans for street improvements where paving or resurfacing of a permanent nature is involved that affects Grantee's facilities. The notice shall contain the nature and character of the improvements, the rights-of-way upon which the improvements are to be made, the extent of the improvements, and the time when the Grantor will start the work, and, if more than one right-of-way is involved, the order in which the work is to proceed. The notice shall be given to the Grantee as soon as practical in advance of the actual commencement of the work, considering seasonable working conditions, to permit the Grantee to make any additions, alterations, or repairs to its facilities.

#### **EXTENSION OF GRANTEE'S FACILITIES**

Upon receipt and acceptance of a valid application for service, Grantee shall, subject to its own economic feasibility criteria as approved by the Iowa Utilities Board make reasonable extensions of its distribution facilities to serve customers located within the current or future corporate limits of Grantor.

#### **RELOCATION OF GRANTEE'S FACILITIES**

If Grantor elects to change the grade of or otherwise alter any street, alley, avenue, bridge, public right-of-way or public place for a public purpose, unless otherwise reimbursed by federal, state or local legislative act or governmental agency, Grantee, upon reasonable notice from Grantor, shall remove and relocate its facilities or equipment situated in the public rights-of-way, at the cost and expense of Grantee, if such removal is necessary to prevent interference with Grantor's facilities.

If Grantor orders or requests Grantee to relocate its facilities or equipment for the primary benefit of a commercial or private project, or as a result of the initial request of a commercial or private developer or other non-public entity, and such removal is necessary to prevent interference with such project, then Grantee shall receive payment for the cost of such relocation as a precondition to relocating its facilities or equipment.

Grantor shall consider reasonable alternatives in designing its public works projects and exercising its authority under this section so as not to arbitrarily cause Grantee unreasonable additional expense. If alternative public right-of-way space is available, Grantor shall also provide a reasonable alternative location for Grantee's facilities. Grantor shall give Grantee written notice of an order or request to vacate a public right-of-way; provided, however, that its receipt of such notice shall not deprive Grantee of its right to operate and maintain its existing facilities in such public right-of way until it (a) if applicable, receives the reasonable cost of relocating the same and (b) obtains a reasonable public right-of-way, dedicated utility easement, or private easement alternative location for such facilities.

## **CONFIDENTIAL INFORMATION**

Grantor acknowledges that certain information it might request from Grantee pursuant to this Ordinance may be of a proprietary and confidential nature, and that such requests may be subject to the Homeland Security Act or other confidentiality protections under state or federal law. If Grantee requests that any information provided by Grantee to Grantor be kept confidential due to its proprietary or commercial value, Grantor and its employees, agents and representatives shall maintain the confidentiality of such information, to the extent allowed by law. If Grantor is requested or required by legal or administrative process to disclose any such proprietary or confidential information, Grantor shall promptly notify Grantee of such request or requirement so that Grantee may seek an appropriate protective order or other relief.

## **FORCE MAJEURE**

It shall not be a breach or default under this Ordinance if either party fails to perform its obligations hereunder due to force majeure. Force majeure shall include, but not be limited to, the following: 1) physical events such as acts of God, landslides, lightning, earthquakes, fires, freezing, storms, floods, washouts, explosions, breakage or accident or necessity of repairs to machinery, equipment or distribution or transmission lines; 2) acts of others such as strikes, work-force stoppages, riots, sabotage, insurrections or wars; 3) governmental actions such as necessity for compliance with any court order, law, statute, ordinance, executive order, or regulation promulgated by a governmental authority having jurisdiction; and (4) any other causes, whether of the kind herein enumerated or otherwise not reasonably within the control of the affected party to prevent or overcome. Each party shall make reasonable efforts to avoid force majeure and to resolve such event as promptly as reasonably possible once it occurs in order to resume performance of its obligations hereunder; provided, however, that this provision shall not obligate a party to settle any labor strike.

## **HOLD HARMLESS**

Grantee, during the term of this Ordinance, agrees to save harmless Grantor from and against all claims, demands, losses and expenses arising directly out of the negligence of Grantee, its employees or agents, in constructing, operating, and maintaining its distribution and transmission facilities or equipment; provided, however, that Grantee need not save Grantor harmless from claims, demands, losses and expenses arising out of the negligence of Grantor, its employees or agents.

## **SUCCESSORS AND ASSIGNS**

All rights, privileges and authority granted to Grantee hereunder shall inure to the benefit of Grantee's lessees, successors and assigns, subject to the terms, provisions and conditions herein contained, and all obligations imposed upon Grantee hereunder shall be binding upon Grantee's lessees, successors and assigns.

## **NO THIRD-PARTY BENEFICIARIES**

This Ordinance constitutes a franchise agreement between the Grantor and Grantee. No provision of this Ordinance shall inure to the benefit of any third person, including the public at large, so as to constitute any such person as a third-party beneficiary of the agreement or of any one or more of the terms hereof, or otherwise give rise to any cause of action for any

person not a party hereto.

**SEVERABILITY**

If any clause, sentence or section of this Ordinance is deemed invalid by any judicial, regulatory or legislative body having proper jurisdiction, the remaining provisions shall not be affected.

**NON-WAIVER**

Any waiver of any obligation or default under this Ordinance shall not be construed as a waiver of any future defaults, whether of like or different character.

**REPEAL CONFLICTING ORDINANCES**

This Ordinance, when accepted by Grantee as provided below, shall constitute the entire agreement between the Grantor and the Grantee relating to the franchise granted by Grantor hereunder, and the same shall supersede all prior ordinances relating thereto, and any terms and conditions of such prior ordinances or parts of ordinances in conflict herewith are hereby repealed. Ordinance No. 31 of the City of Paullina, Iowa, is hereby repealed as of the effective date hereof.

**EFFECT AND INTERPRETATION OF ORDINANCE**

The captions that precede each section of this Ordinance are for convenience and/or reference only and shall not be taken into consideration in the interpretation of any of the provisions of this Ordinance.

**EFFECTIVE DATE AND ACCEPTANCE**

This Ordinance shall become effective and be a binding contract between the Grantor and Grantee upon its final passage and approval by Grantor, in accordance with applicable laws and regulations, and upon Grantee's acceptance by written instrument, within sixty (60) days of passage by the city council, and filing with the Clerk of the City of Paullina, Iowa. The Clerk of the City of Paullina, Iowa shall sign and affix the community seal to acknowledge receipt of such acceptance, and return one copy to Grantee. If Grantee does not, within sixty (60) days following passage of this Ordinance, either express in writing its objections to any terms or provisions contained therein, or reject this Ordinance in its entirety, Grantee shall be deemed to have accepted this Ordinance and all of its terms and conditions.
