Dear City Officials,

Please accept this letter as notice of my official resignation from the City of Paullina. My final day as a lineman with the City of Paullina will be September 2, 2024.

I am thankful for getting the opportunity to work for the City of Paullina and I've learned so much from my time here. Hopefully my notice provides enough time to find a suitable replacement.

I will try my best to tie up all loose ends in my final two weeks, and make the transition as smooth as possible. I am also happy to help after my resignation with any questions that may arise.

Sincerely,

Kaden Hewlett
